Re: Notice of Ex Parte Presentation

In the Matter of Special Access Rates for Price Cap Local Exchange Carriers, WC
Docket No. 05-25;
In the Matter of July 1, 2005 Annual Access Charge Tariff Filing, WCB/Pricing Docket
No. 05-22

Dear Ms. Dortch,

Yesterday, Amy Alvarez and I met with Michelle Carey, Legal Advisor to Chairman Kevin Martin, and Dan Gonzalez, FCC Chief of Staff to discuss the eCommerce & Telecommunications User Group ("eTUG") and the Telecommunications Committee of the American Petroleum Institute ("API") request to adopt an interim X-Factor of 5.3 percent for interstate special access rates. AT&T fully supports that request for implementation on July 1, 2005.

One electronic copy of this Notice is being submitted for each of the referenced proceedings in accordance with the Commission's rules.

Sincerely,

A handwritten signature in cursive script that reads "Robert W. Quinn, Jr." followed by a period.

cc: Daniel Gonzalez
